## *a message from our Boss.....*

### **SUNDAY'S GAMES**

Preston City Oval once again proved a happy hunting ground for the home teams on Sunday. The Tackers had their first run there for the season on its vast expanses and whilst getting near the goals proved a big task, the experience will no doubt set them up well for the future. The 15s continued their march to the finals with another good win, and it was especially pleasing for both Colts teams to have well-deserved wins in front of a home crowd. Neither team can make the finals but the players' single-minded and hard-working approach to training and games has not wavered, and they are certainly a credit to coaches George and Ryan, who have both invested an incredible amount of time and effort into preparing the Colts squad since November last year. Having had a bit to do with the squad this season I can say with conviction they really are great young men (sorry to embarrass you guys) and have been wonderful role models for the younger players at the club. Zwar Park, however, was a heartbreaker for the 10s and 13s, who both went down by very small margins. Both teams played with great spirit and a never-say-die determination, both great Bullant traits, and I'm certain with this sort of attitude both teams can look forward to very bright futures in the seasons ahead.

### **ADULT BEHAVIOUR AT GAMES**

Just be aware that even though we are at the tail end of the season that the Club's expectations of how adults conduct themselves at games, both on and off field, has not changed from the start of the season. We have a **very low tolerance** of poor sportsmanship, bad language, and selfish, dangerous behaviour in the carparks at our grounds and unfortunately there were examples of these at some of our children's games on Sunday from parents of opposition and, I'm disappointed to say, our club. Definitely NOT a great example to be setting for the kids, and embarrassing to witness. I have so far this season been really pleased with how the majority of our parents have conducted themselves, and it is this minority that let the rest down. It's time the adults showed the kids some respect for how hard they've worked during the season and how much they've achieved by picking up their game behaviour-wise.

### **ROUND 13 HELPERS**

A busy weekend for Nancy, Chantel and Rosa running two canteens at two grounds, thanks to helpers Paula Herbert (Tackers), Priscilla Redy (U15) and Helen Matters at PCO canteen, and Anna Ciavarella (U10), Grace Ibrahim (U13) and Christine McNiece at Zwar. BBQ helpers at PCO were John Cholakovski (Tackers) and David Moore. Thanks to Peter Kerin (U10 coach) & John Katsikis for helping with set-up at Zwar and the Tackers parents for set-up at PCO; the U13 parents were great at clean-up at Zwar, it was a LONELY, WET & MISERABLE clean-up at PCO for Pete Baker, Andy Hill, Erin Langley & the Botoulas boys who pitched in and helped with clean-up. Apologies if there were others, but I didn't see many.

## Code of Conduct reminder to PBJFC parents, spectators, players and officials.

After personally witnessing some disappointing comments from parents towards umpires and opposition players over the last couple of weeks, and with finals on the horizon, the time is right to remind parents, players, officials and supporters of their obligations under our Code of Conduct.

### Supporting your team

- *Under no circumstances should officials, players, parents or Bullants' spectators direct abusive or critical comments to the umpires (including goal and boundary), players, officials or spectators on match days. Supportive barracking, applause and positive comments to our players are fine — please refer to our Code of Conduct (available on the website, [www.prestonbullantsjfc.com.au](http://www.prestonbullantsjfc.com.au)) if you need clarification. Please be aware that there are NO circumstances in which umpire abuse is acceptable.*
- *If you see an incident on the field that you believe requires action, inform your team manager as soon as possible. Under YJFL rules, the team manager is the only person permitted to approach the umpires on game day.*

Breaches of the League's and our club Code of Conduct can result in suspensions or worse, for players or spectators. If you find that you are unable to watch a game of junior footy without yelling negative comment, then perhaps you should consider staying at home.

## Match report

A day to remember, hallowing wind towards the city end and cold was what the Preston Bullant tackers were faced with. The first quarter, the Bullants were kicking towards the market end for most of the quarter, the Bullants backend was under constant pressure. The windy conditions made it hard for both teams kicking towards the market end.

The second and third quarter's was an even contest, both teams played hard contested footy. The last quarter the Bullants had most of the play, the boys battled hard but played with a lot of spirit. When the final siren went you could see that the boys gave it their all, the coaches couldn't have asked for more effort, the conditions made playing football very difficult. There were many hard fought contests, bumping and tackling was a highlight for the day.

A special mention to the opposition coach for giving an award to the opposition team for the player that they thought was best on ground. The best on ground medal was awarded to Julian Toniazzo. Congratulations and well done.

To the team, a fantastic effort and keep up the hard work.

Well done boys.

## Match report

On Sunday the Bullants U10's faced up against a highly fancied opponent in Whitehorse Colts. The Colts had only lost a few games for the year, but who would have guessed this would be a hard game against the Mighty Bullants. As the boys ran out onto the ground it left me to ponder how the Merri Creek mud had made it all the way the Zwar Reserve, Well it had and we were right in the thick of it!

In the first quarter Captains for the day Eric and Daniel A were finding plenty of the ball in their respective positions and as we were kicking with the wind and getting on the scoreboard quickly was imperative. With Anthony playing a cracking game and Alexander, Andreas and Josh T getting into the thick of it, it was only a matter of time before we were able to score. And what a great goal it was! Jack S decided to take the game on in what was a game defining moment, up against a couple of opponents Jack tackled one, then the other, the ball broke free he picked it up and delivered an excellent pass to Josh B who was right on the boundary line. Josh who couldn't hear the Coaches yelling 'Centre it!', 'Centre it!' went back and delivered an almighty kick sailing through the goals.

In the second quarter we knew it was time to batten down the hatches, as the opposition were going with the wind and we would have to play a tight Man on Man game. It was sensational to watch, James, Aidan, and Matt were Generals across half back and Louis, Copsey and Jackson were staying on their Men deep in defence. Even our Midfield group Liam, Dan M, Dan S and Ali were playing wonderful accountable football which really paid dividends as Whitehorse were only able to kick 1 goal with the howling wind.

In the third quarter we got off to a great start, with an excellent goal from Jarrod, not thirty seconds into the quarter. The pressure was immense, the boys were doing everything asked of them. Kicking long, tackling hard and not losing sight of their opponents. All their hard work was beginning to pay off and when Anthony marked, played on and kicked a goal the substantial crowd cheered as one.

In the last quarter the defence was rock solid conceding just 1 goal, 2 points, unfortunately those 2 points would be the margin on the day.

It was a great game boys, especially considering we were undermanned with 19 players to their 23. This is one game where we could honestly say the loss was a good as a win.

## Match report

A huge game for us this week, playing a team above us on the ladder. After a tough week at training the team was ready for a big match.

Jorge got us off to a great start, kicking the first goal of the match after only a few minutes. Max M ran hard around the ground with Max V and Karl laying many tackles. Selim did well in the ruck and around the ground, and assisting Max V for the teams second goal. Zac got the third goal of the game, assisted by Jorge and Christen Stella.

The boys in the back line did a great job all day managing to keep Fitzroy goal less in the first half and scoring 2 goals in the second half. Christian F, Oscar and Jack took several strong marks deep in the back line, great efforts under extreme pressure, they got great assistance from Saro, Nicholas F, Riley, Lucas and Luke. Zac kicked his second goal which was shepparded through the goals by Josh B. Christen S worked hard around the ground all day. Our marking today was great, some very memorable marks especially from Harry and Conor.

A really good match between two teams that worked hard all day, great effort boys, especially in the windy conditions.

## Match report

Round thirteen saw us drawn to play Hawthorn Citizens 1, at their ground on a sunny but terrible windy and gusty day. At this stage of the year we had quietly snuck into the top four, but this was always going to be a very difficult day against a very dangerous opponent. To the boy's credit, they listened to the coach and we played the correct side of the ground, to grind out an ugly but very important win.

High light of the day was a terrific team piece of play by Sean O'Connell, who unselfishly knocked the ball back over his head to the goal square, which resulted in a match winning goal. It will be acts like this, which will separate us from the other teams.

With three rounds to go, we need to continue our improvement across the board, and just concentrate on playing our game no matter the opposition.

Dennis McNiece.

## Match report

A very brave effort by the boys and we almost snatched a win on the scoreboard....and I emphasise on the 'scoreboard' because that is the only area I feel that Ivanhoe won the game on.

Some will say that this is where it counts, but for those that witnessed Sunday's game, I am pretty sure that you will agree that we won in most of the other departments such as "aggression at the ball", "endeavour", "commitment", "pressure", and 'the will to win'.

Well done boys, another brave effort, continue to train hard, play hard and eventually the rewards will come.

See you Tuesday.

## Match report

The Bullants were once again fixtured to meet ladder leaders St Marys at A.K.Lines Reserve Watsonia, on a very windy Sunday morning. We lost the toss and had to kick into a stiff wind, managing to keep up on the scoreboard after a fairly dominating possession wise first term. The 2nd quarter saw the opposition defend to the outer side and it was not till late in the term we were able to get a couple of goals and go into the long break with a handy 20 point lead. Unfortunately things went against us in the 2nd half, resulting in a narrow loss to our boys. We can take comfort in the knowledge that we can match it with the top side in the competition and look forward to the remainder of the season with confidence.

### Match report

At the bar with Andy and Bev

- A: Top of the ladder Bev, doesn't get much better than that.
- B: Well I'm no Rhodes Scholar Andy but I'll go out on a limb and agree that as far as ladders go being on top is probably a good thing.
- A: Thought you'd see it my way Bev.
- B: Unless of course you are wearing a short skirt or the legs holding you on said ladder are slightly wonky.
- A: Well I haven't worn a skirt of any description since tight jeans and knee high boots cam into vogue Bev and as far as the wonky legs go I'm gleaning from your tone that you think things may be a little shaky within the team. Fair dinkum ever since Dean went up north...
- B: That's Dave Andy remember?
- A: Oh yeah Dave, ever since Dave went up north you've been on my back! It's not as though we've actually lost a game since Darren took off.
- B: Dave, Andy! Dave!
- A: Yeah, yeah Dave. I mean fair dinkum Bev if you were any harder to please we may as well get married. I've seen Paris Hilton look happier in a room full of eunuchs. Look no one is looking forward to 'what's his name coming back as much as I am, and I must make mention of Damo's ol man who wore the red bib in Dirk's absence the last two weeks,
- B: I give up... go on Andy.
- A: Well. He came up with a few moves which were admittedly raw, but with a bit of refinement from my good self actually had an influence on the outcome of the game.
- B: Oh yeah, take us through the refinement process if you'd be so kind.
- A: Simple really Bev, Dean would suggest something totally out of left field that was brilliant in its conception and totally mind blowing once put into practice, after which I would refine it by saying "that sounds good, I'm glad I thought of it" but hey Bev - that's between you and me okay?
- B: Lips are sealed like a Mexican Gulf oil well Andy, Anyway who performed today besides yourself.
- A: Well. Paul was brilliant; Bill was good as was Zach, Gerard and Damo. But it was Eli, Jake, Zonta and Jacob I was most pleased with. Coming into the finals depth is very important and those three stepped up against a very good team today. Our backline has been great all year - you only have to look at the stats to know that - and Jimmy has added a bit of X factor lately that could come in handy come August. Anyway Bev, here's to a speedy return for Declan. He's been sorely missed.
- B: I reckon you'll look good in the red bib next week you pounce.

## Match report

Unfortunately the game had to be played with reduced numbers due to Surrey Park being unable to field a full side so the game plan had to undergo last minute changes and the rotations became challenging to manage.

As usual the players put the team first and accepted the reduction in game time and unplanned changes and they worked well to adjust to the conditions of solid rain for the entire game.

Surrey Park obviously were going to struggle with all their players having to slog it out in wet and wintery conditions and on a large ground with lots of space even the fittest side would find that task very hard to maintain for 4 quarters but they remained committed and put up a great effort under the circumstances.

For the Bullants it was great to get back on the winners list after some recent defeats against very strong line ups in the top sides. The hard games in the previous weeks had certainly contributed to our side being able to capitalise on the opportunities and despite the cold and slippery ball, the control was quite good. Accuracy in front of goal was again not as good as it should have been but the overall effort was consistent and the teamwork across the ground was excellent.

A fantastic turn up for the after match recovery session and pizza night was a great way to celebrate a double header at home with both sides earning a well deserved and overdue win.

The attitude and team spirit of both sides has been very pleasing and the way in which the season has been played by both sides in their respective divisions has been highly commendable.

Congratulations to both Adrian Chiodo & Reed Jepson on 100 great games for the Bullants.

We need to keep the effort up and continue the good work and run the season out to be the best we can be and a few more victories would be a fitting finish to what has been a most demanding and challenging season.

## Match report

In wintry conditions for the last game at Preston City Oval for the colts 2 season, the boys were to produce their best performance for the year. Showing everyone how much we have improved from our first game together 12 weeks ago.

We attacked well and kept putting the ball into dangerous positions where we had high percentage shots on goal. This resulted in us kicking 11 goals before our first behind mid way through the last quarter.

We got off to a great start outscoring Bundoora in the opening term despite kicking against the wind. We then produced some of our best in the 2<sup>nd</sup> to go in 5 goals up at the long break. However, Bundoora were not just going to lie down and hand us the win that easily. They came out and scored quickly bringing the margin back to just 2 points by the end of the quarter. We now had to fight for this game if we were to take away the points.

Although we may have panicked a little at different stages of the last, we were able to keep the intensity up and grind out a well deserved victory.

All the boys have put a lot of hard work into the year for not a lot of rewards so it was extremely pleasing to be singing the song after the game.

Let's continue to work hard on the track so we can get the rewards on the field!

Well done and go Ants!
