Mark Langley (Colts 1) - Breaks PBJFC Games record

A big congratulations to Mark Langley who in his 146th and final game for the Preston Bullants Junior Football Club in the next week's final round breaks the club's games played record currently held by the legendary Ben McNiece.

Mark played his first game for the Bullants way back in 2002 in the Under 10's. He has developed and into a fine young player and has excelled over the years as a backman. He always gives 100% effort and has worked extremely hard every year to improve his game. He has been a credit to his coaches and been very well respected by all his team mates.

Away from the football field Mark is a very warm, honest and very respectful young man who is always willing to help anyone, He is a huge credit to his family."

a message from our Boss.....

SUNDAY'S GAMES

Some great results from Sunday's game. The 11s cemented their place in the top 4 in their division with a great win at home. The 12s had a nail-biting 2 point win in their game, whilst the 13s had one of their best games of the season and a resounding victory on home soil. The 14s continue to power their way to finals action and the 15s, despite only having 16 players available, played an extremely disciplined game and had a convincing win. Also great to see the 18s snag a win under fill-in coach Wally Bozzer.

What's terrific is how well all the teams are playing, despite their often limited preparation during the week (especially if the weather has been particularly bad, which it has in the last few weeks). Our main training ground is starting to show some wear and tear after having to take the brunt of having so many teams train on it during the week, and often games played there on the weekends. Often we've had to move teams at short notice to our temporary training venue which we can only access a couple of nights a week, which is not ideal especially when 4 older teams have to train there at one time. Some nights recently training has been cancelled all together for some teams. Those players that do manage to get onto Zwar have put up with some atrocious, muddy conditions (sorry, Mums!). Hang in there folks, only one month of Winter to go!

Thanks to David Miller Snr, Jodie Kamolins and Alf DiVito for cleaning the rubbish in the Grand Stand before the day started.

Match report

First of all, on behalf of all involved with the Preston Bullant Tackers we would all like to say a thank you to David Miller Jnr who has umpired all of our home games. Not only has he given up his early Sunday mornings, he has done a great job umpiring for Tackers and representing Preston Bullants in a positive light. Several opposition teams have approached me and commented on the great job he has done. Once again thank you David for a job well done.

What a difference a week of football can do to a team. The Preston Bullants were up and about today from the first quarter and getting stronger by each quarter. The boys were never troubled in defence all day dominated play all day, kicking goals every quarter.

The Preston Bullants moved the ball quickly, tackled hard all day and in general play look to share the ball with their team mates. It was good to see that they were doing what they have been practising at training. They understand team work goes a long way in winning games and it is more fun when everyone gets involved in the game.

A few of the Preston Bullants boys had to play with Banyule Y side as they did not have the numbers. Thank you to the following players Julian Toniazzo and Joseph Habchi for playing two quarters, Arben Dani, Xavier Marino, Jackson Vangelista, Rory Howard and Jack Shoebridge playing for one quarter with Banyule and really trying hard playing against their own team mates. Great work guys.

This was the last home game for the year and what a performance by the Tackers, one of the best games of the year. When the final siren went the boys sung the Preston Bullants song louder than ever before. These boys are a fantastic group, they have a lot of spunk and character which makes it a pleasure watching them grow and play inspiring football. They all have improved as footballers and you have made all involved and parents proud of all of you.

One week to go, and let's make this one the most fun to celebrate the end of a fantastic year, GO BULLANTS.

Match report

With a touch of spring in the air the Preston Bullants ventured out to Victoria Reserve for our round 15 clash with Hawthorn Citizens 2.

As a result of injuries and the long season we were forced to play with only 17 boys. Our team should be applauded for keeping such a dangerous opposition at bay for most of the game.

Following is a critique of each individual's performance:-

- No.1 Daniel C excellent tackling, long kicks, some wonderful marks
- No.4 Matt great running excellent 4th quarter tackles and kicks
- No.7 Eric Great game, wonderful 2nd and 3rd efforts, excellent pressure
- No.8 Robert Great Ruck work, excellent marks deep in defence, break out game

Match report

Last match at Cramer Street for this season.

The ground was in pretty good condition, considering all the rain it had on it over-night.

A great match played between two teams likely to play each other in the finals, really the scoreboard didn't reflect how close it was.

Everyone really contributed today, we were not relying on a handful of players to get us over the line.

The hard work at training is really paying off, we look for someone who is on their own or leading, we tackle, shepherd and the talk on the ground is great.

Well done boys and keep up the great work, you should all be very pleased with the improvements everyone has made since the start of the season.

Match report

With our season hanging by a thread, who was the genius who said? "What a week can make in football." I think the same person might have also have been responsible for this old pearler as well. We went from boiled lollies to chocolates in one week.

Round fifteen we ventured out to beautiful Glen Iris, where we were met with a belter of a hailstorm as we ran onto the ground. This was always going to turn this all important game, into one hell of a scrappy footy game. Just as he has shown all year, Andre Cherubin produced another B.O.G. and dominated in the ruck for us once again. Our captain Mark Skaf showed great leadership, and was able to kick three telling goals when we needed them most. The most pleasing part about this courageous win was every one played their part in such a turn around, from the week before. The character the boys showed, to turn everything around was done in typical Bullant spirit. Let us make sure it continues this week, as we look at changing the result against Parkside from earlier in the year.

Match report

What an awesome team effort boys, it was an absolute pleasure to watch you run out onto the ground and show us what you're really capable of.

As we all know, the emphasis on the day was to not worry about the scoreboard, to do the team things and play as a team. Well, what an understatement this was. From the first bounce to the last kick of the day, we totally, outwitted and outplayed Macleod by playing as a team.

Everybody in the team had a role to play and everybody played it to perfection. It didn't matter, where you played, whether it was down in the backline, or across the middle or up in the forward line, the pleasing thing was that everybody in yesterdays game contributed and as a result, the scoreboard looked after itself and we won the game quite comfortably.

Before the game, I announced to you all that I would be rewarding a player (a movie ticket) for the most 'team' orientated passage of play. This could be either a best tackle, or best shepherd, loudest voice, tap on, or anything that I think was unselfish and would benefit the team.

This award went to Brandon as he set the scene in the first 10minutes of the game by twice putting his body on the line and as a result, prevented Macleod from scoring a goal. Karl was a very close second by twice kicking the ball to the hotspot (instead of having a shot at goal) and twice we scored goals.

We have 1 game to go this year boys so all we ask of you is to maintain the intensity, maintain the pressure on the opposition and most importantly, HAVE SOME FUN.

So, having said all the above, well done again boys on a magnificent team effort and congratulations on a well deserved win.

See you at training on Tuesday.

Match report

Round 15 saw us take on 5th side Kew who were trying to keep there final four hopes alive whilst we had to keep winning to secure the double chance. With a few players unavailable and some untimely injuries it was a surprise to run out with only 17 players and it would save a lot of unnecessary preparation if players could let us know a lot earlier than Sunday arvo if they are unavailable.

The first quarter saw a pretty even contest with both sides attacking the goals the difference being our ability to score goals whilst they kicked points, also due to good pressure in defence.

The 2nd quarter we were able to kick clear with some great team play ending up through the big sticks, the good thing was the whole 17 players were all making a contribution and all doing the team things which enabled us to go 36 pts up at half time.

The 3rd term was all Preston with us completely dominating all over the ground, playing some of our best footy for the season. The last quarter we missed some easy shots at goal but ran the game out well totally eclipsing Kew in what was a perfect display giving our boys plenty of confidence for the UPCOMING FINALS.

Match report

Two night shifts have meant that i couldn't get to the bar this week.

Pity because I would have liked to have waxed lyrical with Dave and Bev about the fact that we stitched up the double chance on Sunday. maybe its a good thing though, I mean for 15 weeks now I've been wrapping the boys up about their performances this year. It may sound a tad hollow after all this time so I'll save it for next week as we prepare for the finals.

Great team effort again on the weekend as we totally outclassed a team which will also play finals. We're travelling pretty well at this stage as winning form is always the best kind of form. Damo just keeps kicking goals and Bill is playing as though his life depends on it.

They were ably supported by the other fourteen players on the ground who continually won the hard contests and forced the ball our way. We still have one week left to reinforce our determination to go all the way so lets keep the numbers up at training and work hard boys!

Match report

There was the expectation of another hard game and it did not disappoint. On one of the coldest days of the year and no chance to make finals the way in which the game was played and how the Preston team approached the contest was a credit to the boys who have fought hard all year to play in the top division in the league.

A blanket can be thrown over the top teams in the comp and little separates them on the day. Today our early inaccuracy hurt our chances with 1 goal, 5 behinds kicked in the first quarter. We had a lot of run and a lot of the ball but unfortunately we let a couple through the other end and were down by 2 points at quarter time.

A disappointing 2nd quarter and 3 quick goals by the opposition after half time meant there was at least a 6 goal gap to deal with. As has been the case in most of our games this year, the Bullant spirit kicked in, the intensity lifted and the never say die attitude saw 4 unanswered goals and a chance to bring home an unexpected victory.

The last quarter was played in a lot of wet scrimmages and a very equal contest both on the scoreboard and on the ground. The Preston boys may not have won the game but they played with endeavour and for each other which is a credit to their mateship and will to keep playing good football right out to the end.

GO BULLANTS!

Match report

Getting off to a good start was important seeing as it was where we were beaten last week. So when Warrandyte kicked the first 2 goals the signs weren't looking good but to our credit we fought back strong by kicking the next 3 to go in at quarter time with our noses in front.

We needed to continue to move the ball on quickly as we were catching them out with our foot speed and ball movement however it wasn't to happen and they kicked 6 unanswered goals during the term. We must follow through on instructions and implement the team structures much better.

Even with this set back the game was not out of our reach. It was going to be a tough ask but we had to be patient and continue to work hard and peg them back one goal at a time.

Unfortunately it was not to be this week however the boys did not go down without a fight. We kept the pressure on right up to the final siren and in return won the last quarter.

Although we did not get the points we must take away the positives from the match and continue to work on the areas that have let us down. Let's make sure we have a red hot crack next week and finish off the season on a high!
