a message from the Boss.....

Word has reached my delicate, shell-like ears that CERTAIN esteemed members of our club were concerned at my hard-line attitude & comments last week and considered me "grumpier than Dennis"! Maybe it was Round 1 nerves and the threat of a lengthy Jury Service hanging over my head, but having dodged that bullet, I promise a much softer, fluffier President's Report and me in general this week. I will, however, "maintain the rage" regarding my expectations of parent help at our kids matches and may even consider a Derryn Hinch-type "Shame File" for repeat transgressors!

PS – I take the "grumpier than Dennis" comment as a compliment!

TACKERS

I had the pleasure of spending Sunday morning with the Tackers for their first home game of the season, a pity it couldn't be at PCO, but it was a beautiful morning and the surprisingly large crowd were in good spirits regardless of the venue. The Tackers players are stacked with talent, the parent group are wonderful even at an ungodly hour of the morning, and it certainly gives me heart that the future of the club is looking bright if the Tackers group are any indication. Their coach, Leigh Shoebridge, is currently Taekwondo-ing his way around New Zealand, so coaching duties were taken on by David Toniazio & Eugene Marino. Team Manager Kath Moraitis manages to keep a calm exterior despite the excitement around her and organises everything with quiet dignity!

U18s

Managed to pop in for a couple of quarters of the U18s first game of the season at Zwar Reserve on Saturday and saw a great game, the result unfortunately didn't go their way but there is still plenty of time and scope for improvement. I urge anyone looking for a game of top-quality footy to watch on a Saturday to throw on your Bullants gear and head along to Zwar when the 18s play the next home game there and lend your support (we will endeavour to get a fixture and other team details on the website/in the newsletter ASAP). Best of luck to President Gene Gatto and committee, Coach Peter Hackney and staff, and the players (the majority of them ex-PBJFC players) for the season ahead.

ZWAR RESERVE CLEAN-UP

Thanks should be extended to Dennis McNiece and Peter DiRago who spent 3 days of their own free time cleaning up and preparing Zwar Reserve for its first round of home games this week. This sort of effort saves the club a lot of money in having to hire contractors, and they not only cleaned the rooms inside and out, they made multiple trips to the tip dumping rubbish and marked up the oval ready for this weekend.

ROUND 2 HELPERS

Thanks to U11 families who started the day with the ground set-up. Thank you to Canteen Managers Nancy Maatouk and Janis Kerrigan and helpers Silvana Alberti (U11) and Danielle Zimmerman (Colts) for your help this week. Frank DiRago has completed his apprenticeship and is now our fully qualified BBQ Manager, and was helped out yesterday by Catriona Fogerty (U11), Chris Bennett (U14) and Rodney Marshall (U15). Thanks To Peter DiRago for stepping in for Dennis as Ground Manager whilst Dennis headed off to the wilds of War-randyte with the U12s. Clean-up crew was Scott Riddle, Sam Botoulas, Peter & Frank DiRago, Tony Martello, David Sutton and Andy Hill and a small but enthusiastic group of U12 players. If there were others, you know who you are, thanks. Still disappointed to see a majority of the helpers were coaches, team managers or committee members.

ROUND 3 – ANZAC DAY

Next week's games will be played on ANZAC Day and as a mark of respect, a minute's silence will be observed before the start of ALL junior games (home and away). Please help us in supporting this; it is of greater significance to our club to offer our respect as the good people at Darebin RSL are kindly supporting our Colts squad this season by making the pool facilities available for post-match recovery.

GO BULLANTS!

Match report

Our Preston Bullants boy's played their first home game for the year at Zwar Reserve under perfect conditions.

The boys came to play today and boy did they play, executing what they had practised at training, attacking the football with real determination, first at the ball and dominating the game all day. They were strong in defence, quick through the midfield and accurate in front of goal.

They were courageous in the air taking pack marks, tackling hard but fair and taking their chances with runs out of defence creating opportunities for the forwards.

The followers and midfielders were a delight to watch as they took control after half time providing our forwards even more opportunities to kick goals.

As the final siren went the boys cheered their opponents then walked off the ground together in arms celebrating the win. You could not wipe the smiles of the boys as they were over the moon with the win.

Match report

They say variety is the spice of life. Well the Bullants U10's surely should be content with what they've been given. This week we were met with bright sunshine as opposed to last weeks rain and wind and the boys took the opportunity to put four goals on the board.

Right from the first quarter it was apparent that the team had come to play, with great drive forward from Kevin and Liam and with Robert showing promise in the ruck, it only took a few minutes for Jack Rountos to send one sailing through the big sticks. Further efforts from Jackson, Jarrod and Captain for the day Ali didn't go unnoticed.

During the second quarter Daniel McManus and Jack S were providing plenty of run from half back and combined well with Daniel S and James. It was great to see Eric, Daniel C, Louis and Matt peeling back off the play to fill holes on the ground. Good thinking boys!

We went into the third quarter with a tall on ball combination with Jackson winning the tap outs, Anthony and Joshua were able to pump the ball deep into our forward line where Alexander, Andreas, Marcus and Aidan were giving it their best shot against a stern defence.

At the third quarter huddle there was a feeling amongst the boys that we were still in the game, and that our best football for the day was still ahead of us. How right they were.

The fourth quarter saw us jump out of the blocks with three quick goals in succession from James, Jackson and Daniel C. It was an excellent quarter with everyone holding their positions, winning one on one contests and showing plenty of dash out of the backline to create forward opportunities.

During the final quarter we really gelled as a team and it was a pleasure to walk off the ground at the end of the match with Parents, Players and Coaches heads held high.

Match report

Perfect conditions for our first home match back at Cramer Street.

We started off a little slow and just couldn't hold our marks. Daniel scored our first goal, but we just found it hard to get the ball to our forwards.

Both teams were kept goal less in the second quarter, but we did start to hold more marks Liam, Lachlan and Christen Stella all taking some very good marks. Our defenders were very busy in the quarter, but kept the opposition to scoring 2 points.

In the third quarter, we found more space away from the packs and our kicks and handpasses were much more direct to our team mates. Max Vaiano scored his first goal.

Max Vaiano scored again in the last quarter. Unfortunately we just ran out of time and went down by 9 points.

Most pleasing was that we didn't give up all day. Parkside are a very good team who ran hard all day. A very good match, despite the loss.

It's great to see our four new players Daniel, Josh V, Conor and Luke have settled in well over the last 2 matches.

Match report

Ventured out to sunny Warrandyte for our second round. The road trip must have taken its toll, as we were very slow starters and Warrandyte played in front and jumped us all over the ground. After reminding the team about a few bullants rules in the under twelves, in typical fashion our mid fielders responded and everyone followed their lead to put the game beyond reach by the half time break.

Great tackling, playing in front, and keeping pressure on our opponents all over the ground. Tremendous team effort, from quarter time onwards, saw us finish well on top all over the ground.

Welcome back to Matthew P., Joel and James who all did well in their first games for the season. Special mention to Jacob, Samuel, Kayne, Matt and Tom on following the coaches instructions.

Team is playing good footy at the moment, but make sure we keep up the hard work at training, and the results will follow.

Match report

In very warm & sunny conditions we came up against Glen Iris at our home ground.

We lost the toss and kicked into a stiff breeze. We had plenty of the ball but were unable to get any score on the board. The opposition kicked 3 goals 2 points to be 20pts up at ¼ time.

In the 2nd we came out & played inspired footy kicking 4 goals 6pts with the breeze. We got the ball out of the centre and down into an open forward line. Although we missed some easy set shots for goals the endeavour & determination the boys show was very encouraging.

The 2nd half saw us tire badly & the opposition rotated heavily having 23 players to our 18. We also picked up some injuries on the way with Patty hurting his knee & Christian F hurting his back.

The last quarter saw us get run over by Glen Iris & eventually going down by 39 points. Although it was a disappointing finish we showed some promising signs.

Match report

Post match with Dave and Andy

- A - 2 from 2 Dave, you must be happy bout that
- D - Bit happier than I am about last weeks news letter
- A - What! We got the score right. We wrapped up a few new players. It's all good mate.
- D - Yeah but I came out looking like Dux of the class at the Ned Flanders school of Right-Diddly-ighteousness.
- A - Fair enough but we need to keep this game of Good Cop, Bad Cop going to get the best out of the kids and I just don't do ... GOOD!
- D - No, you'd never pull that off in a million years, but maybe I'm not as squeaky clean as you think
- A - I'm certainly hoping that's the case and when I find your dark side, I'm going to crack that little chest nut open like the boys did with the St. Mary's backline today fair dinkum it was entered more time than Tattsлото and our forwards saw more ball than the costume fitter at the Sydney Mardi Gras.
- D - Yeah I reckon Lou Natoli is going to explode in a blaze of goals one day and never look back. He's got a great pair of hands but unfortunately the delivery isn't always spot on and Damo knows where the goals are and likes kicking em which is what a good forward does.
- A - Who's gonna be the big mover this year, who's really gonna take their game to another level?
- D - I probably would have said Paul at the start of the year but after two games I couldn't see him playing any better - he is just killing em, I reckon Carl De Angeles could be a smokey in that regard, this could be his year.
- A - He does alright doesn't he and is an integral part of that half back line along with Ross and Daniel Crisafi. They are harder to pass than a Mencer Exam. Carl Tickner and Zach are capable of taking that next step as well. But to be a great team a few lesser lights have to put their hand up and really stake a claim for that starting 18 come that last game of the year. Today I reckon Eli did that - really made good position and took a couple of knocks that belied his frame and his nature. He could be a real dark horse. Question Dave - what has Harry Riddle and the terrorist who hijacked flight 427 on September 11 got in common?
- D - That's the one that crashed into the forest somewhere wasn't it?
- A - Correct
- D - Ok I'll play your little game - I don't know.
- A - Absolutely nothing, Harry always hits a target. His kicking skills are silky and he'll be sorely missed come the end of the year when school commitments take over.
- D - Yeah you're right. But I'm confident someone will do their best to play Harry's role when that occurs - anyway must go, see you at training.
- A - No worries, see ya there Ned.

Match report

Going into Round 2 after a Round 1 loss and some hard work on the track during the week paid off to produce a gusty well fought out win.

The teamwork and intensity lifted a notch and the commitment from the team produced a more even level of performance over the four quarters.

The game was played in a strong and physical manner by both sides and was a good standard Division 1 match.

Certainly there is more improvement required to be at our best but the signs are there that the side is starting to gel and we can expect better things to come.

There were some tireless efforts by players who just kept on going and really showed some excellent leadership for others to use as a benchmark to follow.

Well done on the first win of the season it is great to get on the board with 4 points and let's look forward for more to follow by getting onto the training track and working on the things that we have to do to take that extra step in this high level competition.

Match report

With a good week on the track behind us the boys were extremely keen to make amends for last week's result. We emphasised the importance of a strong warm up so as we can start the game better. This proved to be part of the winning formula as we skipped out to a 5 goal lead by quarter time. Our pressure around the ball was superb and our zone was terrific causing turnover's from all of 3 of their kick outs. Unfortunately due to certain factors we let Surrey Park back into the game and only had a lead of 3 points at the half.

The boys settled themselves at the break and pushed the margin back out to 5 goals by 3 quarter time. It was pleasing to see that even when Surrey Park came at us we were able to withstand their pressure and control the game.

With some excellent individual efforts the most satisfying aspect of the match was the way that we worked as a team seeing as we have a lot of new faces and I know that the more time that we train and play together the more it is going to improve.

So let's keep doing the right things during the week and the hard work will continue to show on Sundays.
