## *a message from the Boss.....*

A reasonably quiet round this week, only three home games and they were finished by 3pm so everyone had an early day. It has been a difficult couple of weeks for a number of teams, grading inequities, injuries and lack of commitment to training by some players are starting to take their toll on the field. Players and parents are asked to please not give up, players keep training and playing hard but fair, parents keep a positive mind set and use positive language around the kids, it's amazing how quickly they pick up on negative talk and figure if Mum and Dad have dropped their bundle, I'll do the same. Whatever the reason for the results, sometimes it is not the score on the scoreboard that matters but how the players applied themselves and what improvements are being seen individually and as a team week by week. Football is a long journey, as someone who has been at the club for 9 seasons I have seen a lot of highs and lows and can safely say that, overall, the highs FAR outweigh the lows, and that many of the highs come not just from being involved in finals and premierships. A great example of this is the current U14 team; they started the season with only 15 players on the list, lost 3 of their first 4 games and looked in all sorts of trouble. Peter, Chippa and Loris never let the boys give in, the players took it on themselves to bring in friends to fill the ranks and, with a much healthier list numbering in the 20s, they have won their last three games on the trot. No-one is getting ahead of themselves and there is still a long way to go but a lot of their recent success is down to attitude and hard work, which makes them winners anywhere. Well done guys.

### **PIE NIGHT**

The club will hold a PIE NIGHT for all players from all teams this FRIDAY MAY 28. Details as to when each team will be training will be forwarded to you by team managers during the week either via email or at training. Also keep an eye on the website. A free pie or sausage roll and drink will be offered after training to all players, any extras will be available for sale to parents/siblings.

### **REMINDERS**

**No dogs are allowed (unless assistance dogs) anywhere in Preston City Oval on game day.**

**Player Uniform** – players are reminded that the following are **NOT** allowed: black skins under footy shorts (must be the same colour as the shorts or flesh coloured), footy shorts that are not plain red or plain white (not red with white stripes down the side) or t-shirts, either long or short sleeved, that are not completely red. The club risks fines from umpires for any breaches in the uniform code, so please check that all player uniforms conform within the rules.

### **ROUND 7 HELPERS**

Thanks to Canteen Managers Nancy and Rosa Botoulas and helpers Sue Habchi (U13), Priscilla Redy (U15) and Helen Matters (Colts 2). Thanks to the 11s for help with set-up; Colts 2 team manager Mark Eldridge cut a lonely figure cleaning up on his own after the game, thanks and welcome to Mark who has taken on the Colts 2 team manager job for the rest of the season.

**GO BULLANTS!**

## SCOREBOARD - Round 7

Preston Bullants  
vs  
Banyule B

at Zwar Reserve

Goals: Henry Durran 1 & Angus Benedict 1

Best: Anthony Vicendese, Jerry Moraitis, Joseph Habchi,  
Samuel Kamolins, Zac Ray & Henry Durran

Helpers: Angela Di Vito, Sam Rizza, Angelo Talarico, Dean Kamolins & Mark Sbrissa

## Match report

It was a great day for football, with clear sky's, sunshine and a light breeze. Having our first start at 11.30 was enjoyed by the parents not having to get up so early in the morning, except for some.

We won the toss & elected to kick with the breeze in the first quarter. Joseph was captain for the day and led the boys well all day with constant support & talking things up. I think it took the boys the first quarter to run off their breakfast before we got going.

The second quarter was tough footy with the boys putting their bodies in, special mention to Henry, Samuel & Jerry putting in the second & third efforts, it was great to see.

At half time we spoke of things we needed to address for the second half, which again the boys took on board & while it didn't always work its pleasing to see them try.

In the last quarter the boys were putting some of the training drills into action with full run & carry down the wings of the ground which makes it great to watch. Great game boys and keep up the effort.

## Match report

After a slow first half the opposition took their chances and kicked away. The boys rebounded with a solid second half performance.

The boys need to practice staying on their opponents, and use the determination I see on training days on Match days!!!

One of the highlights was a great opportunistic goal from Jack Stevenson. Well done Jack.

## Match report

This week we travelled to Balwyn Park and again played in perfect conditions.

The first half was pretty even. Our shepherding has really improved in recent weeks, well done to Jack, Daniel and Zac. Lachlan and Oscar took good marks around the ground. Max M ran hard all day, kicked our first goal, collected marks and passed well to team mates. Connor took 2 fantastic marks at full back to save certain shots on goal, he really played well under extreme pressure.

The second half saw Myles get more involved in the play and take a strong mark in the forward line. Christen S worked hard in the forward half, good running and spot on passing to team mates. Max V kicked a great goal off the ground, well assisted by Lucas and Karl.

The boys were always in the contest, we fought hard but just fell short in the end.

These boys always try their best every week and great to see they never give in.

Next week we come up against top of the ladder team, Park Orchids, I know everyone will be looking forward to the challenge.

## Match report

Round seven saw us play Greythorn at Greythorn on a sunny day, but as usual always windy when we play our old foes at their ground.

We kicked with the breeze in the first quarter, but we really failed to respond to team rules and all players wanted to kick a goal. We were able to score a couple of goals, but having too many players in the forward line, only played into Greythorn's defensive structures.

Second quarter we were able to defend and restrict Greythorn's scoring shots to a minimum. We went into the half time break with scores locked closely together, but I was confident we were getting on top.

After instructing the team on how we were to construct our goals in the third quarter, the wheels well and truly fell off. Until we realise you will not win a game of footy, in brown division, off your own boot, then well as simple as that, WE WON'T.

The footy we played after half time was not acceptable and full credit to Greythorn who showed us how to play. Good games to Kayne (who followed the coach's instructions), Ben and Paddy as usual, Samuel and Jacob. (both boys tried hard all day.)

Let us hope, we all learn from this defeat, and play as team this week against Fitzroy.

ATTENTION TWO TABLE CAPTAINS REQUIRED BY THE UNDER TWELVE PARENT GROUP FOR THE CLUBS BALL. ANYONE INTERESTED PLEASE SEE ME AT TRAINING.

## Match report

A tough task ahead for the boys up against Fitzroy, who had lost only 1 game for the season to date.

Unfortunately the trend continued and Fitzroy handed us a good football lesson.

I sincerely hope that we all learnt from Fitzroy on how to look after each other, protect one another, kick to space, tackle, shepherd and apply all the 1%'ers.

Don't forget, it's not all about how many bounces you take during a game, not how many 'screamers' you take and not how many goals you kick individually, it's about applying all the team rules to every contest, every minute, every quarter and every game.

Keep your heads up boys, continue to train hard on Tuesdays and Thursdays and work extremely hard on Sundays.

Don't forget your mouth guards and football boots on training nights.

Go Bullants!!!

## Match report

After a good week on the track the U14s boys went out east to play Surrey Park on their home ground.

With a couple of boys missing through injury we had 19 players fit and firing in the first quarter. The endeavour and determination set the game up for us kicking 5 goals to 1 against the wind.

The boys moved the ball in waves and the forwards did their job up forward. The 2<sup>nd</sup> quarter saw us continue on kicking 6 goals to nil and setting up a comfortable lead at the half time. The brand of footy the boys were playing was exiting quick and backing each other up on most occasions.

The 2<sup>nd</sup> half saw us slacken off at times and then rally and put more goals on the board. We kicked our highest score for some time kicking 19 goals and run out victors by 80 points.

The Highlight of the day was the evenness across the board with everyone contributing to another good win and make it 3 in a row.

## Match report

At the bar with Dave, Andy and Bev

- Bev - Great result guys, always good to be back on the winners list. Actually, had a bit of a win myself lately.
- Dave - Oh yeah, how so?
- Bev - Well, I received an email from a respected Egyptian lawyer saying that a long lost relative of mine who had, in her final days on Gods earth, bought a lottery ticket after selling three of her kidneys in the hope that someone would live the good life that she so yearned for. Anyway, turns out it was the winning ticket and I am now the proud owner of \$75,000,000 and \$100,000 worth of cosmetic surgery to be performed under general anaesthetic in a reputable surgery in Cairo.
- Andy - Strewth that'll buy a decent enhancement job Bev! Plus some lypo, a tummy tuck and a bit of work on those canklles. When do you leave?
- Bev- As much as I'd like a bit of work on the ol' bod I've rejected this most generous offer and instead told them to send me a diamond ring worth \$100,000 as well as the afore said \$75,000,000
- Dave - I'm not sure a diamond ring can be considered as cosmetic surgery.
- Bev- Don't see why not! It's gonna make one of my fingers look a hell of a lot better. Look guys, I got a bit suss when he said Cairo is in Egypt and then my hubby said that if something seems too good to be true, it normally is.
- Andy - Wise man, your better half Bev. In fact I got the same feeling watching the boys slug it out with Greythorn today.
- Dave - Not convinced about the guys performance.
- Andy - Totally convinced about the effort today. I reckon they got a bit of mojo back after two losses. But that brand of footy won't win us a flag. Let's not be fooled, we didn't play a grand final team today and that's no disrespect to Greythorn! But to win a premiership we are gonna have to play with a bit more discipline and structure.
- Dave - That remains to be seen. As far as today's game goes we couldn't be happier with Bill, Mud, Gerard and Paul.
- Andy - Very much so, I though Zach was outstanding and Carl T did some really tough work, great tackling and chasing! Ross, Carl D in his 100th and Nathan were sensational in the backline. Eli lined up and received a few times and looked good and Hayden is really staking a claim for a spot in our best 18.
- Dave - The next few weeks will really shape where we end up this year so we're all gonna have to lift our game.
- Andy - Spot on Dave, we have to stick together which, by the way, is a little difficult when I look up from the board and you're across the other side of the ground with a different bib on.
- Dave - Desperate times call for desperate measures and at that stage Mud looked as though he needed my calming influence.
- Andy - Yeah good job Mr. Mogadon. Anyway me and Mick Tessari had the job in hand. In fact Mick looked very comfortable in front of the magnetic board. I wouldn't make a habit of it if I were you.
- Dave - Fair enough, reckon I might keep a bit of an eye on Mick from now on. Anyway gotta go, good luck with those canklles Bev.
- Andy - Well I'm hanging around Bev I'm sure to get a few freebies now that you're a wealthy woman
- Bev - Now that IS too good to be true Andy.

## Match report

Yet another very close encounter that did not go our way but probably should have.

An undermanned Preston team put in a gusty effort and fought back well after very disappointing second and third terms.

Again poor decision making lack of talk and some ill directed disposals were very costly.

Lachy's broken hand was a real blow to the side as he was a key contributor during the day and we wish him a speedy recovery.

Close losses are never easy to digest but maybe this one in particular will be the one to gel the side into performing on the day to the level we all know you can and have shown many times before.

## Match report

With the first of two games against the Warrandyte teams it was important that we came ready to play and put in a much better performance than we had in previous weeks. We put a strong emphasis on our preparation and start to the game. Which is why it was so disappointing that we only had 12 players there on time. If we are to be any chance we need to continually improve in these areas.

Putting this aside once we were out on the field, we did come together and played a much better style of play and for all bar a 10 to 15 minute patch during the 3<sup>rd</sup> quarter we were as good if not better than our opposition. This proves that we aren't far away from our first division 2 victory. It was pleasing to see that we improved dramatically through the middle of the ground with in my opinion our midfielders finishing on top of the battle with their opposite numbers.

We will continue to work hard during the week as a team so as our improvement continues throughout the rest of the season.

With a rare opportunity this coming week with both colts sides at Cramer St Oval on Sunday we need to come to the ground mentally prepared for a tough physical challenge and be ferocious at the contest. We need to make sure that there is no stone left unturned and although it will be fantastic for both sides to take the points this week we need to continue to focus on the process and the end results
