President's Reports Round 3 2013

Dear PBJFC Families, Players friends,

Due to the unavailability of Preston City Oval , our Anzac weekend Round 3 was played HP Zwar Park . Before each game we commemorated ANZAC Day by observing a minutes silence before each match, and playing the Last Post. Thanks to our multi talented Treasurer Dean Hayes for arranging the playing of the Last Post

Thanks to All Our Match Day helpers: Canteen: Eleanor & Charlotte, BBQ: Brad **"Green Thumb"** Whitfield, Scoreboard: Julia & Katia; Ground Set up: Dean **"Mr. Wall Street \$"** Hayes, Paul **"Pizza Man"** O'Connell

Special Thanks to: Con Mellos and Scott Olarenshaw for putting up the padding on the goalposts and for Tony Martello for taking them down.

Maree "Margaret Fulton" O'Connell for making the fantastic Anzac day cookies. Can't wait for the Scones!

Thanks also to the parents who helped with various duties that they were rostered on for.

Some of Under 14's dad's enjoying a relaxing day Zwar!

The Football

The Club's game results were 3 losses and 3 win, with Tackers of course having a no result!.

The 14s juggernaut continued. There is no DANKING or tanking just plain old hard work, improved discipline and maturity is the reason why these boys have improved.

The 11s had third narrow loss in a row, but so did an [AFL team](#) that trains in Royal Parade Parkville, but look at them now!

Special Mentions: **(a) Under14s:** Daniel "Zoolander "Zou. What an awesome team oriented game this young man has brought to the 14s. In a "Nic Nat" or "Cherra" like game, he has provided huge confidence to his team.

(b) Under 10: Zac "Get out of my way" Vaino for the great block he put on against St Mary's. One of the best I have seen!!

(c) The Kerin brothers. Xavier (Tackers), Sebastian (Under 10s) and Alexander (Under 13s). All kicked goals for their respective teams. A club record being the first set of three brothers all kicking goals on the same day! There was plenty of discussion and banter between the boys on Sunday at the Kerin household as to whose goal was the best!

YJFL Grading Process

Each year the YJFL embark on a grading process that considers last year's results, information provided by each club at the commencement of the season, and an assessment of results during the first four games of the season. On assessment team's maybe moved up or down a Division/Section.

The PBJFC Committee have an opportunity to make submissions to the league and we are currently active in seeking advice and evidence from coaches and support staff in terms of any request/potential movements of teams. I encourage you all to familiarize yourself with the YJFL By Laws – Schedule a – via the YJFL webpage.

Kind Regards

Sam Botoulas

Match Report

Sunday the Bullant Tackers had their first away game at Pitcher Park against Parkside B and also a nice, early start of 8:45.

Just before the starting siren blew, we held a respectful minutes silence in commemoration of Anzac Day. The temperature was mild, but the boys were on fire! Smashing preconceptions of the size of ruckmen, Denzel used his strong body to win the contests and courageous rover work by Luca got the ball into our forward line quickly. Xavier K scored his first goal of the season and ended up getting a second later in the game. Toby also scored a great goal from good handballing and passing down the field from Max and Jack B, who was also rewarded a goal for his efforts.

This is the way the game continued for all 4 quarters. Unfortunately for Parkside, they could not get the ball past our strong backline combo of Tyler, Samuel, Xavier G, Phoenix P and Damon. Lucky for them, our rotations saw everyone have a run through the centre and forward zones.

Felix M was one of our captains for the day and scored a goal, with another beautiful kick hitting the post. At this stage, it was our other captain Phoenix G working the centre clearances with help from Samuel and Nicholas P. There were crunching tackles from Nicholas F and sleek ball handling skills shown by Lewis.

Other goal scorers for the day were Jack M, who's proving to be a kicking machine, Denzel and Luca.

Once again the boys played really well, holding their positions and putting in a truly dominant effort.

After the game, we dressed ourselves up and had a Tackers team building lunch amongst the neon lights of Epping Bowling. It was fun for all the kids and parents to get to know each other better. I think the boys might have exerted more energy running around the bowling centre than playing their game. A big shout out to team managers Suki and Angela for organising everything

All in good fun!

We've now had 3 strong games- no getting ahead of themselves though, because you never know how the next team will come out battling.

Match Report

Best Players Preston: P. Davies , A. Azzopardi, R Isdale, Z. Vaiano, T. De Santis, E. Lowe

Weekly Encouragement awards: Jude Harb and Darcy Boxall

The ANZAC day round 3 clash took us to Whatmough Park to take on a highly motivated St Mary's K who tackled us strongly from the outset and showed that you don't need to control the ball 70% of the match to have an impact on the scoreboard by opening up the first QTR with a slight breeze in their backs with 3 straight goals to our 1.1.

The second QTR was very remiss of last week's spraying on goals with inaccuracy costing us with no less than 4 scoring opportunities that added 1.3 further to our score. Our backline held up magnificently as the pressure came in droves by a disciplined STM's K team running through the middle of the ground deep into their attacking 50 which saw the likes of Jude Harb, Oscar Stock, Isaac Dani and Eamon Casey hold up the barrage and rebound nicely.

The half time break gave us an opportunity to ask the boys about where they thought things weren't working the best to which on 2 different occasions we heard from 2 different players that we simply weren't manning up and playing good old one on one footy especially when we are defending against a wind that had picked up somewhat. After clarifying the rules through the appropriate channels, out we went for the second half to which the boys efforts saw us win a tough second half of footy leaving the opposition goalless in the last QTR and outscoring them as well giving us something to build on for the round 4 clash.

I guess the frustrating part is knowing the ability of our team and those within it and not seeing enough effort around the ground to rightly reward them for that very effort. I have no doubt in the coming rounds we will see the intensity pick up as well as their hunger to win the contest. We saw glimpses of this through the likes of the weekly co-captains in Terence De Santis and Simeon Koskos who both lead by example, as did the likes of Ryan Isdale, Zac Vaiano, Ethan Lowe and the aerial efforts of Alex Lukic were something to behold. Alexander Azzopardi was again in pretty much everything in and under packs and seeing Joshua Malkoun break the line and a tackle on his way to hit the post for his 4th poster in 2 weeks had us all gasping in hope it would sail through the big sticks. A lot to look forward to as the process is well and truly underway.

Match Report

Clouds hung heavy in the sky threatening to burst as both teams went through pre-match warm ups. This wasn't just another game. This was the 2012 Grand Final re-match. The Bullants hosted the Dockers at Zwar Park, a ground we train at but don't often get to play on. Therefore, at least for this spectator, it felt both familiar but a little bit disorientating.

I'm not sure if that was how our players felt but it's how they played the first quarter. Before you could blink the Dockers had 2.1 on the scoreboard to our measly point. More ominous was that the Dockers had loose players everywhere. At Quarter time David, the coach instructed his charges that defending was the key to football success. "It all starts with defence".

The Dockers kept up their work rate and goaled almost immediately into the second quarter. To stem the attack, the Bullants flooded the Dockers forward line. The Dockers continued to hold the reins and a rainstorm of goals threatened, but it never came. Something started to work for the Bullants. And all the Dockers could return was 1.6. We limped into the half time break still disorientated. Whilst performing a courageous piece of play Matthew Chilcott dislocated his thumb in a courageous effort. Hope you get better soon mate.

David, passionate in tone but calm of thought, corralled his team. The instruction was basic and clear. Man up. Stay on your player and make them feel your presence. The second half proved the coach right. What could have been a white-wash turned into a test of character for the Bullants. And they stood tall, each and every one. Julian went off the ground injured. He came back onto the ground with even more hunger to win. Daniel Q injured his knee but didn't relent.

The Dockers scored one point after half time. The clouds lifted and the Bullants played their hearts out. They turned the game on its head. They fell three points short but not without willing themselves all the way. Maivia, Darcy, Jesse, Zac, Jack and James Mellos, having played well in the first half, played great footy in the second. Alex took some impressive marks. Dylan was awarded best on ground by the Dockers. Without taking anything away from his excellent game our second half really was a team effort.

Match Report

Round 3 saw us pitted against Whitehorse Colts at Springfield Park, Box Hill North. Based on our past encounters I expected a close contest.

In the first quarter we kicked into a slight breeze; however, we were able to restrict Whitehorse Colts' scoring ability with applied pressure, and our ball movement and team work enabled us to score and be in a good position going into the second quarter.

In the second quarter Whitehorse Colts' tall players out marked us all over the ground and restricted our ball movement into the forward line and scoring ability. We didn't capitalise on kicking with the breeze and trailed by 6 points at half time.

The third quarter was going to be make or break... The boys' attack on the football showed they weren't ready to throw in the towel, and our run and carry was excellent and resulted in scores being level at three quarter time.

In the last quarter we managed to kick 1.1 and lead by 7 points at about the 10 minute mark; however, Whitehorse Colts weren't ready to roll over and kicked a goal with about 2 minutes remaining. The boys managed to hold on for an excellent win against a team I believe will most likely play finals.

Match Report

Sunday's round three game against Brunswick was played at Zwar Reserve. As with all codes across the Country both teams marked Anzac day with a Minutes silence.

We had good reason to celebrate before the game as another of our Team mates Aidan Sloan was playing his 50th game. "Aido" has always been a good clubman And being awarded the most improved player for 2012 shows that he is heading in the right direction.

In blustering conditions the game commenced with the Bullants kicking against the wind. As in the past our backline absorbed the pressure really well. Anthony continued his knack of marking on the last line of defence and later in the game moved into the centre where he smothered and shrugged off opponents at will. With Henry blanketing his opponent and Antares and Aidan working hard we went in at quarter time happy with our progress.

In the second and third quarters Louie asked the boys to concentrate, stay in front And play a brand of football that we had been practicing at training. With our Coaches positive approach the team continued the game with enthusiasm and vigour.

Alex willed himself into the game and Daniel Diab and Daniel Beck made the most of their opportunities. In the third we kept Brunswick to only one goal for most of the quarter. Great effort!

The final term saw us kicking with the breeze. We has most of the play during this Quarter and it was inevitable that we'd score. Our goal came from the boot of Alex, which was good reward for a good game. Once again our set plays were very good, and our running has improved, we're getting to know each other better, and we're on the way to becoming a very capable unit.

Match Report

Best : Dan, Aidan, Josh V, Karl, Chris, Jack Hayes, Conor, Lucas, Christen, Max.

Another great afternoon for football, the Boys played their 1st home game against the reigning premiers Whitehorse Colts. With a near full strength side and some impressive training during the week the boys got off to a flying start. The midfield got first use of the ball, our forwards capitalized with a few early goals & the defence was rock solid, restricting the Colts forwards from scoring and rebounded deep into our forward line well on many occasions. The boys would have been a few more goals up at quarter time if it wasn't for some crowding up forward...(Something we can work on at training)

In the second Quarter against a strong wind the boys played good team footy, stuck to the game plan, run & carried to perfection with many well weighted & lead up passes to open spaces into the forward line. The whole teams work rate and attack on the footy was first class and really set up the game.

The first 10 mins of the last quarter was disappointing, probably due to lapses of concentration allowing the opposition back in the game. The WH Colts got way to many easy possessions which resulted in three unanswered goals. As good teams do, the boys lifted their work rate, played accountable football and didn't let the opposition back into the game. The defense led by Dan stood tall restricting the opposition from getting easy possessions.

All in all a pleasing effort for 3 quarters. See you all at training.

AT THE BAR WITH DAVE & ANDY

A: Do you think I'm hard to please Dave

D: Interesting question first up Andy but I believe I know where you're heading with it. I know your family fairly well so can give an opinion based on that (which by the way you probably wouldn't like). But I believe it's what your mates think that really counts and I haven't been able to track any down thus far. Look, you're obviously referring to the performance the boys dished up today. So to perpetuate the whole 'good cop bad cop' thing we've got going I'd have to say yes, However, in reality, and this is just between you and me Ok , whilst gaining the 4 points is a positive result for the team and the club I have in the past seen the boys play a whole lot better than they did today.

A: A simple yes or no would have done Dave. Fair dinkum I'm glad I didn't ask the meaning of life! And as far as not being able to track down my mates goes it just means I'm fussy that's all.

You mentioned a 'positive result' in that diatribe you just dished out but I have to say I've seen people happier to get a positive result for leprosy than what our boys were as they walked off the ground today with the 4 points. That is in no way an indictment on Surrey park who were hard at the ball and fought the game out to the end. Rather I think the boys know where we sit at the moment and it's just not quite where we should be.

D: That's not to say we didn't have some great contributors Andy, especially the likes of Naseem, Kyle, Tom B, Jack, Julian and Samuel.

A: Too right Dave, those boys and a few others got us over the line today but a more even contribution is what's needed to be competitive against the teams at the top. Hopefully the boys will respond this week at Ivanhoe.
